

An aerial photograph of a rugged coastline. The water is a vibrant turquoise, revealing a complex network of dark, jagged rock formations beneath the surface. A narrow, light-colored sandy beach is visible, bordered by a line of green trees and shrubs. A small white boat with a yellow stripe is positioned in the upper right portion of the frame. The overall scene is bright and clear, suggesting a sunny day.

About us

**Baker Tilly is more than an accountancy firm
- we're a driving force for ambitious growth.**

Baker Tilly Bulgaria is part of the 8th largest accountancy network in the world and has been for over 30 years locally, and is also part of MHA Plc UK.

As the first firm in the region to merge with an AIM-listed group (is a sub-market of the London Stock Exchange), Baker Tilly sets a new benchmark in leadership and expansion. With expertise across **Cyprus, Greece, Romania, Bulgaria and Moldova**, and access to the wider MHA presence in the **UK, Ireland and the UAE**, we combine local knowledge with international reach to support your business growth.

Trusted Advisors. Global Reach. One Integrated Region

In today's interconnected business environment, success increasingly depends on the ability to operate seamlessly across markets, jurisdictions and industries.

Our integrated South East European platform enables clients to access specialist expertise across Cyprus, Greece, Bulgaria, Romania and Moldova through a single relationship team. By combining local knowledge, regional coordination and sector-focused experience, we help clients address complex challenges, manage risk and pursue growth opportunities with confidence.

Our integration with MHA, a leading UK professional services group and the UK member firm of Baker Tilly International, further strengthens our capabilities. Together, we offer clients access to enhanced technical expertise, deep sector knowledge, international transaction support and broader advisory capabilities, creating a seamless gateway between South East Europe, the United Kingdom and global markets.

The result is a distinctive combination of local insight, integrated regional strength, UK market connectivity and global reach. This enables us to support clients wherever their ambitions take them, providing seamless access to expertise, opportunities and resources across South East Europe, the United Kingdom and international markets.
